ORDINANCE 2022-01

2022 AMENDMENT TO MARIJUANA ORDINANCES

An ordinance to secure the public health, safety, and welfare of the residents and property owners of the Village of Breedsville, Michigan, through the control and regulation of marijuana businesses and licensees in the Village, and to amend all ordinance provisions and terms that are inconsistent with this amended ordinance.

THE VILLAGE OF BREEDSVILLE, VAN BUREN COUNTY, MICHIGAN ORDAINS:

SECTION 1: Title

This ordinance shall be known and cited as the 2022 Amendment to Marijuana Ordinances.

SECTION 2: Purpose

The Village hereby finds that its current marijuana ordinances (Nos. 16-120319, 050917.1, as amended, and 051016) should be amended to clarify license transfer provisions and to clarify the manner in which marijuana shall be grown and screened in the Village.

SECTION 3: License Transfer

No marijuana business license issued by the Village of Breedsville shall be transferred unless the Village Council has approved the transfer. Approval shall not be considered until the proposed transferee has filed with the Village all applications and supporting documents required from the licenses applicant and has paid a transfer fee of \$5,000. Both the proposed transferor and transferee shall provide to the Village all additional documents, information, and materials that the Village determines it requires in order to evaluate any request for transfer. The Village shall have the sole discretion to grant or deny any application for a permit. Any permit issued under this section shall apply only to those noises prohibited under subsections (b)(2) and (b)(4) above. Any permit issued by the Village shall specify the date, time, location, and duration of the permitted activity. The Village may impose such other restrictions or conditions upon the issuance of such permit as it may deem appropriate and/or necessary in the interests of the public health and welfare, including a bond.

SECTION 4: Prohibition on Outdoor Growing and Requirements for Screening

No commercial marijuana growing shall occur outdoors in the Village unless the license authorizing such growing shall be grandfathered because Village permission for outdoor growing was granted based on an application filed during 2018 or earlier. All outdoor growing shall be surrounded by pine trees, or another barrier specifically approved by the Village. Pine trees, when planted, shall be at least six feet in height.
